GENERAL MEMBERS MEETING

**WEDNESDAY
MAY 12TH, 2010**

**Meeting
starts at
1900**

It s going to be another great one. Come join us for Jim DiMatteo, Red Bull Air Race "Air Boss" as he briefs the membership on the Air Races that are being hosted in New York for the first time June 15-20. We will also be discussing all you want to know about heliports to include the new operations out of JRB. The Fly Neighborly routes for Long Island will be discussed as well as the NPRM which just came out that will require helicopters to fly over the Long Island Sound and what the Council is doing to stop it. If you have anything else you wish to have addressed, just email me at chairman@erhc.org
